Re: Wilson Creek Wind Project

Dear Commissioner Rowe,

As you know, Wilson Creek Power Partners, LLC (WCPP), a subsidiary of Champlin/GEI Wind Holdings, LLC (Champlin) has been involved in the development of the Wilson Creek Wind Project in Lincoln County. The purpose of this letter is to notify you that WCPP and Champlin are no longer working on the development of the Wilson Creek Wind Project.

Any further correspondence regarding the project's status or additional inquiries should be directed to Wilson Creek Wind Company, LLC (WCWC) and its parent company Nevada Wind. Contact information for the WCWC is as follows,

"Developer's Address"

Wilson Creek Wind Company, LLC
c/o Nevada Wind
John Johansen
330 Moonbeam Drive
Spanish Springs, NV 89436

If there any questions regarding this letter, I can be reached at 805-568-0300.

Sincerely,

Casey M. Willis
Senior Project Manager
